CAREER

- How do you define your career or work? Is it a joy or a job, a calling, a way of life, something you love, something you do or something totally different?
- Do you like getting up in the morning to do what you do?
- Do you earn, spend and save in a way that allows you to live as you thought you would. And sleep at night?
- Do you enjoy your work? If the answer is no, what can you change?
- Do you have a vision for where you want to be in 5 or 10 years?
- Have you thought about what you want to do after your primary work time is complete (AKA: retirement, your time, freedom time….)? Are you there now and wondering, "What's next"?
